

## **WHY BECOME AN EMEUNET MEMBER? AT A GLANCE**

### ✓ **Education & skills**

- Widen your horizon: travel bursaries to the **EUREKA translational medicine course** are offered yearly by EULAR exclusively to EMEUNET members
- Become a reviewer: state of the art **peer-review mentoring** in collaboration with the Annals of Rheumatic Diseases and RMD Open

### ✓ **Career development**

- Make a difference: become actively involved in EMEUNET/EULAR initiatives -**suggest and chair a session** at the EULAR Congress, and participate in shaping the upcoming EULAR guidelines!

### ✓ **News and updates**

- Get the best out of EULAR and ACR Congresses: our **newsletters** guide you so that you <do not miss> key presentations and post-congress <highlights>
- Keep up to date in the last findings: visit our '**What is new?**' section at our website
- Stay up to date: receive regular mementos of upcoming **international events** in Rheumatology and related fields: the **EMEUNET calendar**

### ✓ **Research opportunities**

- Find a mentor: don't miss the **mentor-mentee meetings**, yearly at the EULAR Congress
- Be the first to apply: **fellowships and open positions** in research are regularly advertised to our members

### ✓ **Networking**

- Find collaborators: search the **EMEUNET membership database** and the upcoming **EULAR Centers of Excellence database**
- Make friends: take part in **EMEUNET sightseeing tours and events**
- First attendee to the EULAR annual meeting: apply to our **ambassador program!**
